iPRIDE PORTAL USER GUIDE: REGISTERING FOR GSWS 2025

Players and non-players who are listed on a team roster for GSWS 2025 should register for the tournament via the iPride Portal (website or app).

Registering via the Website

1. Login using your Portal email address
 - Your Portal email address is the address that your League Commissioner used to upload you into the system. This is probably the same email that you use for your League.
 - If this is your first time logging in, you will need to use the “**Forgot Password**” workflow to create a new password
 - DO NOT try to create a new account. If your email does not work, contact your League Commissioner to understand what email address was used.

2. Click on “**My Journey**” to go to the profile main page. **Update your contact and demographic information.**
